The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

**DEPARTMENT OF PUBLIC WORKS: TRAFFIC SIGNAL
SYNCHRONIZATION PROJECT
223RD STREET/WARDLOW ROAD FROM WESTERN AVENUE TO DELTA AVENUE
AWARD OF CONSULTANT SERVICES AGREEMENT IMPACTING THE
CITIES OF CARSON, LONG BEACH, LOS ANGELES, AND UNINCORPORATED
COMMUNITY OF TORRANCE
(SUPERVISORIAL DISTRICTS 2 AND 4)
(3 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

Award and authorize the Director of Public Works or his designee to execute a Consultant Services Agreement with VA Consulting, Inc., to prepare plans, specifications, estimates, and provide construction assistance services for the 223rd Street/Wardlow Road Traffic Signal Synchronization Project and to establish the effective date following your Board's approval. The agreement will be for a not-to-exceed fee of \$165,000 to be financed with Los Angeles County Metropolitan Transportation Authority Grant Funds and matching County funds.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended action is to obtain consultant services to prepare plans and specifications for a project to improve traffic flow on 223rd Street/Wardlow Road in the Cities of Carson, Long Beach, Los Angeles, and unincorporated community of Torrance.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs that we provide Organizational Effectiveness (Goal 3) by securing sufficient staffing resources to ensure an efficient, effective, and goal-oriented project delivery system.

FISCAL IMPACT/FINANCING

There will be no impact to the County General Fund. The recommended Consultant Services Agreement is for a not-to-exceed fee of \$165,000. The estimated cost to complete this work is \$150,000, plus \$15,000 for unforeseen additional work, which may arise during progress of the work. Funding for this agreement is included in the Fiscal Year 2007-08 Proposition C Local Return Fund Budget.

The Los Angeles County Metropolitan Transportation Authority will reimburse approximately \$132,000 of the cost from the 2001 Call for Projects Proposition C Discretionary Grant Funds for the South Bay Cities Traffic Signal Forum. The remaining \$33,000 will be funded by the County's Proposition C local return revenue.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

We are recommending that your Board award and authorize the Director of Public Works or his designee to execute a Consultant Services Agreement with VA Consulting, Inc. The recommended Consultant Services Agreement will provide design and construction services for the 223rd Street/Wardlow Road Project in support of the Traffic Signal Synchronization Project. The project includes 223rd Street/Wardlow Road from Western Avenue to Delta Avenue. The Department of Public Works has successfully used consulting firms to perform design work of a similar nature on other projects.

When construction documents and jurisdictional approvals are completed, tentatively scheduled for October 2008, the Department of Public Works will return to your Board to adopt plans, specifications, and advertise for bids to construct the project.

A standard agreement in the form previously approved by County Counsel will be used. The standard Board-directed clauses that provide for contract termination, renegotiation, and hiring qualified displaced County employees will be included.

As required by your Board, language has been incorporated into the Consultant Services Agreement stating that the consultant shall notify its employees, and shall require each subconsultant to notify its employees, that they may be eligible for the Federal Earned Income Credit under the Federal income tax laws.

As requested by your Board on August 12, 1997, and as a threshold requirement for consideration of a contract award, VA Consulting, Inc., is willing to consider Greater Avenues for Independence (GAIN) and General Relief Opportunities for Work (GROW) Program participants for future employment.

As required by your Board, language has been incorporated into the project specifications stating that the contractor shall notify its employees, and shall require each subcontractor to notify its employees, about Board Policy 5.135 Newborn Abandonment Law (Safely Surrendered Baby Law).

VA Consulting, Inc., is in full compliance with Los Angeles County Code Chapter 2.200 (Child Support Compliance Program).

VA Consulting, Inc., adheres to the provisions of the County's ordinance entitled Contractor Employee Jury Service as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.

ENVIRONMENTAL DOCUMENTATION

In accordance with Section 15378(b)(4) of the State of California Environmental Quality Act (CEQA) Guidelines, approval of the recommended action does not constitute a project and, hence, is not subject to the requirements of CEQA.

CONTRACTING PROCESS

On September 7, 2006, the Department of Public Works issued Request for Proposals to 26 firms to develop a select list of qualified consultants to provide as-needed traffic design services, and 18 firms submitted proposals for review and evaluation. An evaluation committee, consisting of the Department of Public Works engineering staff, evaluated the proposals. These evaluations were based on technical expertise, proposed work plans, experience, personnel qualifications, and understanding of the work requirements. These evaluations were completed without regard to race, creed, color, or gender. Based on the review and evaluation of these proposals, the committee developed a select list of eight qualified firms. The firms selected were ADVANTEC

Consulting Engineers, Inc.; Katz, Okitsu and Associates; Kimley-Horn and Associates; RBF Consulting, Inc.; Lin Consulting, Inc.; VA Consulting, Inc.; Albert Grover and Associates; and Transportation and Energy Solutions, Inc.

As stated in the Request for Proposals, the Department of Public Works shall select consultants from the select list of qualified consultants for each project in order of established evaluation ranking. VA Consulting, Inc., is the next firm on the list.

Participation by Community Business Enterprise (CBE) in the project and the requirement that consultants demonstrate their good faith effort to utilize CBE are encouraged through the Department of Public Works' CBE Outreach Program.

VA Consulting, Inc., is aware of the Department of Public Works' CBE Outreach Program; and their proposed CBE participation is on file with the Department of Public Works.

The Department of Public Works has evaluated and determined that the Living Wage Program (County Code Chapter 2.201) does not apply to the recommended agreement, as this agreement is for non-Proposition A services.

As requested by your Board on February 3, 1998, and to further increase consultant awareness of contracting opportunities with the Department of Public Works, the Request for Proposals to develop the select list of qualified consultants was posted on the Doing Business With Us website. Attached is a copy of the website posting for your reference.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Hiring a consultant to perform this specific short-duration engineering service will allow the Department of Public Works to continue to have its current staff perform more routine traffic services.
